Sing for Life

Breast Cancer Foundation of Arizona

Our Charity of Choice

In 2000, Laura Fial, through no plan of her own, became a breast cancer survivor. Being a vocal entertainer, Laura conceptualized a music project bringing together other breast cancer survivors in song. She invited breast cancer survivors to 'leave their illness at the door' and join the group "The Soul Survivors" in song and spirit. Practices led to appearances and eventually to the recording studio where they have recorded two (2) new studio and one (1) 'live' CDs, and earning a Grammy Nomination for Laura's singing of "Soul Survivors-Fight for Lifers" in 2004 (which we believe will become the anthem for breast cancer survivors everywhere).

Sing for Life has established an Annual Foundation Scholarship Program designed to award scholarships to assist individuals studying in oncology/nursing for breast cancer patients, and/or Foundation Grants for groups that provide support for breast cancer patients and their families.

Sing for Life is a 501(c)3 tax deductible entity. For additional information on the Sing4Life Breast Cancer Foundation of Arizona, please visit www.sing4lifebreastcancer.org.
